Curb Appeal Program

Orange City’s Curb Appeal Program acknowledges attractive, well maintained landscapes and the benefits they provide to our community. It is the goal of the Curb Appeal Program to identify and formally reward those property owners that demonstrate community pride and maintain their property as a beacon of higher standards that other property owners may aspire.

Categories

Nominations may be submitted by anyone, including the property owner, for both Residential and Commercial properties. Property that is visible from any public street, park or school can be nominated.
